Sir:

In connection with the examination of the above-identified application, the applicant, through the subscribing attorney, hereby invites the Examiner's attention to the enclosed list of prior art.

While the attached list of prior art is believed to include the closest prior art of which the applicant is presently aware, the applicant does not represent that any search for prior art has necessarily been made nor that no better prior art exists. All the listed prior art is in the

English language and therefore no explanation of its relevance is believed to be necessary.

The Examiner is requested to consider the listed prior art when evaluating the patentability of the invention claimed in the present application.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "A. James Richardson", with a long, sweeping horizontal line extending to the right.
